Professional Summary

Web developer and IT graduate who builds full-stack web apps with React and Supabase and integrates AI (Google Gemini) into real workflows. Remote internship experience delivering WordPress and web game projects for a Singapore-based training company. AWS Academy trained in cloud architecture.

Work Experience

Web Developer Intern | Knowles Training Institute | Singapore (Remote) | Jan 2026 – Apr 2026

- Built and maintained WordPress pages and browser-based web games to client requirements.
- Used AI prompting in the development workflow to speed up builds and reduce development overhead.

Projects

TeamSync Workspace | React, Vite, Supabase, PostgreSQL

- Built a team task-management app with task assignment, file attachments, task editing and member roles.
- Automated deadline reminders, email notifications and AI-assisted task workflows with Supabase functions.
- Designed the PostgreSQL schema and row-level security policies for multi-member workspaces.

BuhayVA Copilot | React, Supabase, Google Gemini API

- Built an AI assistant for virtual assistants, with a custom Gemini system prompt and serverless backend functions.

OnboardBase | React, Supabase, PostgreSQL

- Built a client onboarding app with its own database schema and serverless functions.

Google Calendar Auto Scheduler | Node.js, Google Calendar API

- Built a Node.js service that creates and schedules Google Calendar events automatically.

Skills

- **Frontend:** HTML, CSS, JavaScript, React, Vite, Responsive Web Design, Figma
- **Backend & Data:** Node.js, Supabase, PostgreSQL, REST APIs, Java
- **AI & Cloud:** Google Gemini API, AI Prompt Engineering, AWS (Cloud Architecting, S3, CLI)
- **Tools & CMS:** Git, GitHub, Vercel, WordPress

Education

Bachelor of Science in Information Technology | Cebu Institute of Technology | 2022 – 2026

Certifications

- **AI Prompting for Automation (Level III)** | TESDA & StackTrek Enterprise Inc. | May 2026 | Certificate ID: SAUT-J62RAAW6F. Program certificate, plus three micro-credential certificates:
  - **Utilize Generative AI** | May 2026 | Certificate ID: SAUT-AMFBRKR6Q
  - **Ensure Compliance with Data Privacy and Ethics** | May 2026 | Certificate ID: SAUT-QZR97TUJR
  - **Implement Basic Automation Techniques Using AI Tools** | May 2026 | Certificate ID: SAUT-H77ERC9ZS. Built AI workflows for information management and text summarization.
- **AWS Academy Graduate** | Amazon Web Services | 2025. Cloud Architecting and Cloud Foundations training badges.
- **UI/UX & Web Design** | 2023 – 2024. UX/UI Design Principles Compact (Udemy), UI/UX for Beginners (Great Learning), Introduction to JavaScript (Sololearn).
